

SCREENSHOT from ClientUI – Population Report

The screenshot displays the ClientUI interface for a Population Report. At the top, there are navigation tabs: Control, Manage, Supervise, Report, System, and Help. A 'System Health' indicator is visible in the top right corner. Below the tabs are several functional areas: Alerts (with a '25' notification), Map, Whiteboard, Positions, Actions, View (with icons for Inmates, Officers, Assets, Locations, Calendar Rules, Zones), and Monitor (with icons for Zones, Inmates, Officers, Assets, Locations, Calendar Rules, Log). A toolbar with various icons is located below the navigation areas.

The main data area shows a summary of 'Total Inmates : 246' and a table of pod statistics. The table includes columns for pod name, Out, In, Unknown, Assigned, Unassigned, Inmates, and Officers. Pod B1 has a warning icon and '4 Warnings'.
